

Dated: 22<sup>nd</sup> September, 2020

### Information for Applicants to MBBS course at PIMS for the Academic Year – 2020-21

As per the directives issued by the National Eligibility cum Entrance test (NEET UG-2020) NBE, Medical Council of India (MCI) & Ministry of Health & Family Welfare (MOHFW, GoI), All Admissions to the MBBS courses at Pondicherry Institute of Medical Sciences (PIMS) and other Medical Institutions in Puducherry, would be based on the Merit list prepared by the concerned State / UT followed by common counselling by the authority designated by the respective State /UT Government. This process will be followed for all candidates seeking admission under the All Management quota (including N.R.I. quota) and the State Government Quota (for domicile candidates only)

The NEET UG -2020 qualified candidates who seek admission to Pondicherry Institute of Medical Sciences for the MBBS course for the academic year 2020-21 are informed that all admissions would be made as per the above mentioned guidelines. The Director (Health), Directorate of Health & F. W Services (Govt. of Puducherry) will shortly display the admission procedure for MBBS Courses at PIMS, Puducherry through the Centralized Admission Committee, (CENTAC), Govt of Puducherry.

**Further details regarding admissions will be available through the CENTAC office and candidates are required to submit their applications directly through the official webpage <https://www.centacpuducherry.in>**

We wish all the candidates all the very best in your endeavours.
